

Let Me Fall

One Tree Hill

It's October again
Leaves are coming down
One more year's come and gone
And nothing's changed at all
Wasn't I supposed to be someone
Who can face the things that I've been running from...

Let me feel, I don't care if I breakdown
Let me fall, even if I hit the ground
And if I...
Cry a little
Die a little
At least I know I lived, just a little...

I've become much too good at being invincible
I'm an expert at play it safe, and keep it cool
But I swear this isn't who I'm meant to be
I refuse to let my life roll all over me...

Let me feel, I don't care if I breakdown
Let me fall, even if I hit the ground
And if I...
Cry a little
Die a little
At least I know I lived, just a little...

I wanna be somebody
I, I wanna be somebody
I wanna be somebody
I, I wanna be somebody who can face the things that I've been running from

Let me feel, I don't care if I breakdown
Let me fall, even if I hit the ground
And if I
Cry a little
Die a little
At least I know I lived...

It's October again
Leaves are coming down
One more year's come and gone
And nothing's changed at all
