

Missing You

One Tree Hill

Every time I think of you,
I always catch my breath
And I'm still standing here, and you're miles away
And I wonder why you left
And there's a storm that's raging
Through my frozen heart tonight

I hear your name in certain circles
And it always makes me smile
I spend my time just thinking about you
And it's almost driving me wild
And there's a heart that's breaking
Down this long distance line tonight

And I ain't missing you at all
Since you've been gone, away
I ain't been missing you
No matter what I might say

There's a message in the wires
And I'm sending you a signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight
But it's my heart that's breaking
Down this long dusty road of mine

And I ain't missing you at all
Since you've been gone, away
I ain't missing you
No matter what my friends say

And there's a message that I'm sending out
Like a telegraph to your soul
If I can't wish this distance (huh)
Stop this heartache all alone

I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friends say
I ain't missing you (yea missing you)
Since you've been gone away (missing you)
I ain't missing you (yea missing you)
No matter what your friends say
Hey yea yea yea
I ain't missing you at all
Since you've been gone away
I ain't missing you at all
No, and no matter what my friends say
