## Naive

## **One Tree Hill**

I'm not saying it was your fault Although you could have done more

Oh you're so naive yet so

How could this be done Your such a smiling sweetheart Oh and your sweet and pretty face In such an ugly way Something so beautiful That everytime I look inside

I know that she knows that I'm not fond of asking True or false it may be She's still out to get me

I know that she knows that I'm not fond of asking True or false it may be She's still out to get me

I may say it was your fault Cause I know you could have done more

Oh you're so naive yet so

How could this be done By such a smiling sweetheart Oh and your sweet and pretty face In such an ugly way something so beautiful Everytime I look inside

I know that she knows that I'm not fond of asking True or false it may be She's still out to get me

I know that she knows that I'm not fond of asking True or false it may be She's still out to get me

How could this be done By such a smiling sweetheart

Oh you're so naive yet so

Such an ugly thing Someone so beautiful And everytime you're on his side

I know she knows that I'm not fond of asking True or false it maybe be she's still out to get me

And I know she knows that I'm not fond of asking True or false it maybe be she's still out to get me

Just don't let me down Just don't let me down Hold on to your kite Just don't let me down Just don't let me down Hold on to your kite Just don't let me down Hold on to this kite Just don't let me down
