Revelations

One Tree Hill

You know what to do, you know what I did Since you know everything, just clue me in I am such a wreck, I am such a mess I know what I know - why don't you fill in the rest? I will bring it down, I will make it bad While you're feeling proud, why don't you help me?

Such a shame that I wouldn't know by now Your revelations Cut me in, I don't want to live without Your revelations, revelations

You know what to say, you know what I said You know what I dream sleeping in my bed You hold all the keys, you know all the rules Why don't you guide me in if I'm such a lost soul? I'm spinning around, I will make you I'll Since I'm so broken down, why don't you fix me?

Such a shame that I wouldn't know by now Your revelations Cut me in, I don't want to live without Your revelations

I am haunted when I am sleeping Try to give without receiving It's in the applebite It's in the days and nights In the afterlife we'll reap

Such a shame that I wouldn't know by now Your revelations Cut me in, I don't want to live without Your revelations

Such a shame, such a shame That I wouldn't know by now Cut me in, I don't want to live without Your revelations, revelations
