

Sockracer

One-Way Mirror

The population achieved the first step
Falling on the ears of the days 2020
The quality or Chi by quest
Stand, hold first, make the large day
The cursed insanity at the hag of Caesar
They eat the money, down the carpet comes tripping
A giftbox, holding you are scared
An exit, a belly
Standing by, out by the box
Cash your money

You want to nut me
You want to nut me
You don't know me
You don't know me

You don't know me
Never gonna get me

Sockracer... Sockracer
Semi intergration
Suck from my suffocation
Your rapid burn from the inside
Swallowing some titties

Insemination of the first born
Running down the leg of the life that was left there
Conspiracy for me my place
Drinkin, having fun, mayonnaise girl
The hand that rattles at the door of reason
Pull the trigger, let the blood go dripping
The danger is getting prepared

A bullet, a rubber
Running out of luck
Call her honey

Call her honey
Call her honey

No, no, no you'll never get me

Sockracer... Sockracer
Semi intergration
Suck from my suffocation
Your rapid burn from the inside
Swallowing some titties

You won't get me, you won't get me
You won't get me, you won't get me
You'll never get me, you'll never get me
No, you'll never get me

Sockracer... Sockracer
Semi intergration
Suck from my suffocation
Your rapid burn from the inside

Swallowing some titties
