I don't set alarms  
Lately I don't set alarms  
But that's because of the ringing that's happening inside my head  
Inside my head  
Yeah yeah  
It keeps me safe from harm  
At least I tell myself I'm safe from harm  
But really it's probably filling my dreams with dread  
So I get out of bed  
Yeah yeah  
Yes I'm neurotic I'm obsessed and I know it  
I can't take vacations and the brain won't believe me I'm on one  
Hawaii under warm sun  
Yeah yeah

I think I lost my mind  
Don't worry about me  
Happens all the time  
In the morning I'll be better  
In the morning I'll be better  
Sing it again  
I think I lost my mind  
But don't worry about me  
Happens all the time  
In the morning I'll be better  
Things are only getting better  
Sing it again

I'll tell myself I'll change  
That's right I tell myself I'll change  
But then I begin to realize that the problems inside my veins  
But it's inside my veins (vein)  
Yeah yeah  
I swear I'm not insane  
Yes most likely not insane  
Everybody goes through moments of losing their clarity  
At least I'm never boring  
But I've been losing sleep so call the doctor said to take one of these  
And call me in the morning

I think I lost my mind  
Don't worry about me  
Happens all the time  
In the morning I'll be better  
In the morning I'll be better  
Sing it again  
I think I lost my mind  
But don't worry about me  
Happens all the time  
In the morning I'll be better  
Things are only getting better  
Sing it again  
Sing it again

So here's the question asked  
Of all the things you love the people places from the future to your ancient  
past

Of every one of those which one will cause you to let it go let it go  
Need to crash

Think you lost your mind  
Well don't worry about it  
Happens all the time  
In the morning you'll be better  
Things are only getting better  
Sing it again  
I think I lost my mind  
Don't worry about me  
Happens all the time  
In the morning I'll be better  
In the morning I'll be better  
Sing it again  
I think I lost my mind  
But don't worry about me  
(But that's because of the ringing that's happening inside my head)  
Happens all the time  
In the morning I'll be better  
(Inside my head)  
Things are slowly getting better  
Sing it again
