

1. Hello world

Hope you're listening
Forgive me if I'm young
For speaking out of turn
There's someone I've been missing
I think that they could be
The better half of me
They're in their own place trying to make it right
But I'm tired of justifying
So i say you'll..

R: Come home

Come home
Cause I've been waiting for you
For so long
For so long
And right now there's a war between the vanities
But all i see is you and me
The fight for you is all I've ever known
So come home
Oooh

2. I get lost in the beauty

Of everything i see
The world ain't as half as bad
As they paint it to be
If all the sons
If all the daughters
Stopped to take it in
Well hopefully the hate subsides and the love can begin
It might start now..Yeahh
Well maybe I'm just dreaming out loud
Until then

R: ... fight for you is all I've ever known

Ever known
So come home
Oooh

Everything i can't be
Is everything you should be
And that's why i need you here
Everything i can't be
Is everything you should be
And that's why i need you here
So hear this now

R: ... fight for you is all I've ever known

Ever known
So come home
Oooh
