

Everybody Loves Me

OneRepublic

Let's paint the picture
Of the perfect place
They've got it better than when anyone's told ya
They'll be the King of Hearts, and you the Queen of Spades
Then we'll fight for you like we were your soldiers

I know we've got it good
But they've got it made
And the grass is getting greener each day
I know things are looking up, but soon they'll take us down
Before anybody's knowing our name

They've got...

All the right friends in all the right places
So yeah, we're going down
They've got
All the right moves in all the right faces
So yeah, we're going down

They say
Everybody knows, everybody knows where we're going
Yeah, we're going down
They say
Everybody knows, everybody knows where we're going
Yeah, we're going down

Do you think I'm special?
Do you think I'm nice?
Am I bright enough to shine in your spaces?
Between the noise you hear, and the sounds you like
Are we just sinking the ocean of faces?
It can't be possible... the rain can fall
Only when it's over our heads.
The sun is shining everyday, but it's far away.
Over the world that's dead.

They've got, they've got...
