

# Everybody Loves Me

OneRepublic

Let's paint the picture  
Of the perfect place  
They've got it better than when anyone's told ya  
They'll be the King of Hearts, and you the Queen of Spades  
Then we'll fight for you like we were your soldiers

I know we've got it good  
But they've got it made  
And the grass is getting greener each day  
I know things are looking up, but soon they'll take us down  
Before anybody's knowing our name

They've got...

All the right friends in all the right places  
So yeah, we're going down  
They've got  
All the right moves in all the right faces  
So yeah, we're going down

They say  
Everybody knows, everybody knows where we're going  
Yeah, we're going down  
They say  
Everybody knows, everybody knows where we're going  
Yeah, we're going down

Do you think I'm special?  
Do you think I'm nice?  
Am I bright enough to shine in your spaces?  
Between the noise you hear, and the sounds you like  
Are we just sinking the ocean of faces?  
It can't be possible... the rain can fall  
Only when it's over our heads.  
The sun is shining everyday, but it's far away.  
Over the world that's dead.

They've got, they've got...
