

capo I

Woke up in London yesterday, found myself in the city near Piccadilly  
Don't really know how I got here, I got some pictures on my phone  
New names and numbers that I don't know, address to places like Abbey Road  
Day turns to night, night turns to whatever we want, we're young enough to stay

Oh this has gotta be the good life, this has gotta be the good life  
This could really be a good life, good life  
Say oh, got this feeling that you can't fight like this city is on fire tonight  
This could really be a good life, a good, good life

To my friends in New York, I say hello, my friends in L.A. they don't know  
Where I've been for the past few years or so, Paris to China to Colorado  
Sometimes there's airplanes I can't jump out, sometimes there's bullshit that  
at don't work now  
We are god of stories but please tell me-e-e-e  
e, what there is to complain about  
When you're happy like a fool, let it take you over  
When everything is out, you gotta take it in

Oh this has gotta be the good life, this has gotta be the good life  
This could really be a good life, good life  
Say oh, got this feeling that you can't fight like this city is on fire tonight  
This could really be a good life, a good, good life

Hopelessly  
I feel like there might be something that I'll miss  
Hopelessly  
I feel like the window closes oh so quick  
Hopelessly  
I'm taking a mental picture of you now  
'Cuz hopelessly  
The hope is we have so much to feel good about

Oh this has gotta be the good life, this has gotta be the good life  
This could really be a good life, good life  
Say oh, got this feeling that you can't fight like this city is on fire tonight  
This could really be a good life, a good, good life
