

capo II

1. I need another story,
something to get off my chest
My life gets kind of boring,
need something that i can confess
Till all my sleeves are stained red,
from all the truth that I've said
Come by it honestly I swear,
thought you saw me wink, no, I've been on the brink, so
 2. Tell me what you want to hear,
something that were like those years
I'm sick of all the insincere,
so I'm gonna give all my secrets away
This time don't need
another perfect lie
Don't care if critics ever jump in line,
I'm Gonna give all my secrets away
 - R: My God, amazing how we got this far
It's like were chasing all those stars,
who's driving shiny big black cars
And everyday I see the news, all the problems we could solve
And when a situation rises just write it into an album
Singing straight to cold?
I don't really like my flow, no
 3. So tell me what you want to hear,
something that were like those years
I'm sick of all the insincere,
so I'm gonna give all my secrets away
This time don't need another perfect lie
Don't care if critics ever jump in line,
I'm Gonna give all my secrets away
- Got no reason, got no shame, got no family, I can blame
Just don't let me disappear, I'm tell you everything
