

capo II

1. I need another story,  
something to get off my chest  
My life gets kind of boring,  
need something that i can confess  
Till all my sleeves are stained red,  
from all the truth that I've said  
Come by it honestly I swear,  
thought you saw me wink, no, I've been on the brink, so
  
  2. Tell me what you want to hear,  
something that were like those years  
I'm sick of all the insincere,  
so I'm gonna give all my secrets away  
This time don't need  
another perfect lie  
Don't care if critics ever jump in line,  
I'm Gonna give all my secrets away
  
  - R: My God, amazing how we got this far  
It's like were chasing all those stars,  
who's driving shiny big black cars  
And everyday I see the news, all the problems we could solve  
And when a situation rises just write it into an album  
Singing straight to cold?  
I don't really like my flow, no
  
  3. So tell me what you want to hear,  
something that were like those years  
I'm sick of all the insincere,  
so I'm gonna give all my secrets away  
This time don't need another perfect lie  
Don't care if critics ever jump in line,  
I'm Gonna give all my secrets away
- Got no reason, got no shame, got no family, I can blame  
Just don't let me disappear, I'm tell you everything
