

No Eden

Only Living Witness

Teeming billions
All diverging, All diverging
Teeming billions
All diverging, All diverging

Pleasure sought and pleasure found
Pleasure sought and pleasure found

All to Pandoran, All to Pandoran
Innocents until the pleasure
It came unbound

Sacrificial man
Keep your head down
Keep your head down
Sacrificial man
Keep your head down
Keep your head down

Teeming billions
All diverging, All diverging
Sacrificial man
Keep your head down
Keep your head down

Pleasure sought and pleasure found
Pleasure sought and pleasure found

All to Pandoran, All to Pandoran
Innocents until the pleasure
It came unbound, It came unbound
It came unbound, It came unbound
Keep your head down
