## **Power From Hell**

Onslaught

The gates of hell have opened wide with deadly speed the metal it strikes A fork of light rains from the sky To feed the amps with power supply Killerwatts to be unleashed we'll show no mercy bring you to yo ur knees Hit the switch the power's free it'll blow your ears & make you mutha's scream

Onslaught...Power from hell Power, power, power, power from hell With the wrath of Satan in our minds we take the stage to play for our lives When the power racks hit overdrive the banging heads they look toward the sky Thrashing metal savage screams yeah this is hell it's not just a dream Hammers pound at breakneck speed to crush the souls of those wh o disbelieve
