

Hammers On Deck

Onyx

Hammers on deck, hammers on deck
Hammers on deck, we got them hammers on deck

Yo, we got them hammers on deck, 40 grand on my neck
Ten on my wrist, bump fifty for the whip
Standin' on the set, four fifth on my hip
Sixteen in the clip, plus one in the hat
I don't like guns, but without one, I'll be dead
Hammers on deck, like I work construction
Shooters on deck, quick, go Got a new connect in the sheets, fo
ur automatic
Niggas will give it to ya when you caught in traffic
A board with plastic, they don't even look well
When them hammers come out, they be shook fo' real
Warp in the dealership, hammers on deck
I walk out the jewelry shop, hammers on deck
Lookin' at GT bad bitch, hands on the dress

Hammers on deck, hammers on deck
Hammers on deck, we got them hammers on deck

Shit, we in the club, blamers on deck
I got the kind of ammo that the man you respects
And if you speak to me, imagine there's a gun in yo face
Cause if you step outta place, nigga
That's gon' be the case
In a trunk I got mask and surgical glovies
Size? Who's gonna care if I murder for thugs?
If I'm chillin' with my family (Hammers on deck)
If it's just my bitch and me (Hammers on deck)
Everywhere I go it's like I gotta Cause I'm always armed and th
ey call me the god
A nigga tryna take my food, will be no discussions
Just some consequences and repercussions
With the hammers on deck

Hammers on deck, hammers on deck
Hammers on deck, we got them hammers on deck
