

We coming to, coming to like whut?
We coming to, coming to like whut?
We coming to, coming to like whut?

I'm going in like a G. cop nigga better shut
Or you get you ass stunck, gotta get up
Watch our nigas creap up, laying for your chick wait
Got this ready to stick it, you're ready fucking beat up
Lay upon that dark side, up on this dark side
Looking it for remark niggas coming on for old car
Digiest so dick, you compare it with a shark side
Not to mention I quit, you starve in the park line
My middle name is 'fucked that'
Cuz everything it's fucked in
I'm bust first and see that niggas won't bust that
Maybe they ain't trust that
Nigga kill a cop with that
Ops never get a dope better force that
What the nigag suspect, the one that make me upset
That is unfulling, it's still lay enough
Bitch try to supply that
Niggas better cut chest, I bring it to your face and nigga running to the subject

We coming to, coming to like whut?
We coming to, coming to like whut?
We coming to, coming to like whut?

We coming to, coming to like whut?
We coming to, coming to like whut?
We coming to, coming to like whut?

I play with the trofees waving at your door, please
Nigga wan a sqare my souldier wnat you dope please
Having all you can, even on your own shit
Ownign niga money they be running in your hole price
Hitting up in north place, so they will hit no place
In the fucking law keep a gun cuz I lost faith
I'm a fucking lost, forgot about my first coce cage
Body in the truck we moving across the crost

Nigga want some real shit, I think you feel it
Get it with the six feet I won't have a...
Do you have a rear quick so things are real quick
All my guns feel way, I was get in...
Try to get a milty if I gotta a still shit
I'm out of my mind, absolutley brilliant
I'm with that A shit, the niggas can't do it
If that's a all rule that's for stick you think it's childy

We coming to, coming to like whut?
We coming to, coming to like whut?
We coming to, coming to like whut?

We coming to, coming to like whut?
We coming to, coming to like whut?
We coming to, coming to like whut?
