

# Kill Me Again

Oomph!

You've set my world on fire  
You're such an awesome liar  
You've put my soul on ice  
I'm gonna pay the price

So what you see is what you get  
So what you see is what you get  
So what you see is what you get  
So what you see is dead

If you don't think you can save me  
Kill me  
Kill me again  
If you don't think you can save me  
Kill me  
Kill me again

Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead

I really don't know why  
You make me wanna die  
I see it in your eyes  
You're full of brilliant lies

So what you see is what you get  
So what you see is what you get  
So what you see is what you get  
So what you see is dead

If you don't think you can save me  
Kill me  
Kill me again  
If you don't think you can save me  
Kill me  
Kill me again

Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead  
Your love is making me feel like I'm dead

If you don't think you can save me  
Kill me  
Kill me again  
If you don't think you can save me  
Kill me  
Kill me again

So what you see is what you get  
So what you see is what you get  
So what you see is what you get  
So what you see is dead
