

So far so good
You said this all before
And I know I won't
So far down

I don't want to sing this song 'til I peel away
And I don't want to feel this, so I know I won't
Fall back or lay down
Assume that everything will be okay
So far so good
I know that this is the only the way
For me to move on

Said this all before
And I know I won't
So far down

I don't want to sing this song 'til I peel away

All I know is that I tried for us
She said, "let it go, you need to move on"
Fall back, lay down
Assume that everything will be okay
So far so good
I know that this is the only way
To move on

Fall back, lay down
Assume that everything will be okay
So far so good
I know that this is the only way
For me to move on

All I know is that I tried for us
She said, "let it go, you need to move on"
