

Out of the hospital, out against my will  
Life is so beautiful, I've gone mental  
Mental! Mental! I've killed my family  
They thought I was an oddity

Life is so beautiful, I am a vegetable  
Mental! Mental! I've gone mental I've gone mental  
Staring at my goldfish bowl Popping Phenobarbital  
Life is so beautiful, I've gone mental Mental! Mental!

Sitting on my window still  
Life is so beautiful, I've become irrational, I've gone mental  
Mental! Mental! I've gone mental.
