

what happened to your bush  
it's not the same  
something in your hedge  
made a violent change  
we come we see  
we dive and destroy  
and anhilating shrubs is what we enjoy  
hedge core hedge dive hedge core  
we're doin hedges to stay alive  
it's anarchy night every night of the year  
with chaotic mayhem  
we keep your bush in fear  
terrorist assasins of creative gardening  
fucking up your hedge here's what we sing
