Heaven Is A Halfpipe

If I die before I wake at least in heaven I can skate 'cause right now on earth I can't do jack without the man up on my back

now heaven would be a DJ spinning dub all night long and heaven would just kicking back with Jesus packing my bong and if you don't believe in Jesus and Muhammad or Buddha too and while the world is warring just sit back and laugh at you singing..

If I die before I wake at least in heaven I can skate 'cause right now on earth I can't do jack without the man up on my back

now most people think of heaven they see those pearly gates but I looked a little closer and there's a sign says "do not skate" so if you wanna come to my heaven well we're all gonna have a ball and everyone u know is welcome 'cause we got no gates or walls singing.

If I die before I wake at least in heaven I can skate 'cause right now on earth I can't do shit without the man fucking with it

and then I got to the gate pulled a list that I'd been calling fate I'm sorry friend you can't come in you gotta a list here that doesn't end you're mad 'cause I smoke dope you teaching any classes in how to cope I'll find a place to rest my head I rather be alone now that I'm dead like Christian hossoi way back in 87 we'll be busting Christ air's until we get to heaven think I really care that I miss my biology got my education in stale fishology with all your rules you got to chill I'm gonna twist out Mike McGill I'm gonna twist out 'cause I got the skills I'm gonna twist out 'cause I got the skills... got the skills got the skills

heaven is a halfpipe.. heaven is a halfpipe..

If I die before I wake at least in heaven I can skate 'cause right now on earth I can't do jack without the man up on my back If I die before I wake
at least in heaven I can skate
'cause right now on earth I can't do shit
without the man fucking with it
