

Interlude: 15 Minutes

OPM

15 minutes with you
And I want to slit my wrists I can't believe we used to kiss
I can't believe I used to put up with, all of your bullshit
I remember when I was all up in that ass
Religiously like a Sunday Mass
That's what she'd say when we'd get into
The sheets are dirty and so were you
There was a time when I'd think of you
And the feelin' was good and the feelin' was true
But now-a-days I got a one track mind
When I see your face I wanna grab a knife
15 minutes with you
And you still kee runnin' your mouth, I can't believe we once went out
I believe I used to listen to you scream and bitch and shout!!!
I remember when I was all up in that ass
Religiously like a Sunday Mass
That's what she'd say when we'd get into
The sheets are dirty and so were you
There was a time when I'd think of you
And the feelin' was good and the feelin' was true
But now-a-days I got a one track mind
When I see your face I wanna grab a knife
