

# Release The Joy

Opus III

Release the joy  
Release the joy  
Release the joy  
Release the joy  
Release the joy  
Release the child inside your mind  
Release the joy  
And count the stairs we climb  
Release the joy  
Release the child inside your mind  
Release the joy  
And count the stairs we climb  
Release the joy  
Release the joy  
Release the child inside your mind  
Release the joy  
And count the stairs we climb  
Release the joy  
Release the joy  
Release the joy  
Release the joy  
Release the joy
