

Pin Drop

Orange 9mm

I'm so sleepy won't you please wake me.
Careful I break like my rotten smile.
Respect my Bones
When I'm dead and buried.
From that spot you'll bloom.
From that spot you'll bloom.

I can hear a pin drop
If I wanted to listen
I can feel your whisper
So you might as well scream
I can hear a pin drop
If I wanted to listen.
I can feel your whisper.

Time to exit
I've no misconceptions.
Sitting idle
I reach for the sky.
Stretching so far
To far in the distance.
From that spot you'll bloom.
From that spot you'll bloom.
