Got time to learn?
Discipline. Discipline.
What's his face said
What's his name?
All the same.
What's the date?
I can't recall a thing.
Good god, dole it out.
Good god, dole it out
'cause I've been so bad.
So bad, so bad. Good god
Dole it out cause he's always home
and the belt's always off. Good god
Dole it out because I need to be told exactly
what to do.
Dole it out. Dole it out. Dole it out.
