

Farewell

Orden Ogan

It is the mirror that looks at all the fake
It is the bed that sleeps while you're awake
Living in darkness though the sun shines in your face
Watching the time while the clock counts your last days

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

It is the phone that is silent when you keep calling
It is the rain that stands still while you keep falling
Living in darkness though the sun shines in your face
Watching the time while the clock counts your last days

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

....In the darkness, effacing the warmth
slightly embracing the harm

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

....In the darkness, effacing the warmth
slightly embracing the harm
Oh, I wanna know
(Is it love?)
