

Goodbye

Orden Ogan

Desolate and obsolete
A figure on the crest
A bleeding heart in a nothingness
That is never gonna rest

Nobody hears the calling
Forcing me to be on my own
Nobody'll see me falling
Far away from hope and my home

Hold my hand
Look into my eyes
Now there's time to say

Goodbye - alone in my darkness
I cry - tears of sand
And die - remember my last
Goodbye

Desolate and obsolete
A figure on the crest
A bleeding heart in a nothingness
That is never gonna rest

Nobody hears the calling
Forcing me to be on my own
Nobody'll see me falling
Far away from hope and my home

Hold my hand
Look into my eyes
Now there's time to say

Goodbye - alone in my darkness
I cry - tears of sand
And die - remember my last
Goodbye
