

## This Is

Orden Ogan

These are my hidden feelings  
This is myself anyway  
This is me - The darkest being  
I have discovered these days

AND I SHOULD DO WHAT THEY DO  
CUT THE HAND THAT FEEDS YOU

This is my back soul's river  
This is my current out to sea  
They make me be the unbeliever  
This is their gift to me

AND I SHOULD DO WHAT THEY DO  
CUT THE HAND THAT FEEDS YOU

They are bringing me down  
Smash me hard on the ground

AND YOU SHOULD DO LIKE THEY DO  
CUT THE HAND THAT FEEDS YOU

They surely'll get you down  
'Till you die on the ground
