

## Don't Let Your Hair Grow Too Long

Oren Lavie

Don't let your hair grow too long  
Leave your yellow raincoat on  
Don't get wet  
But don't get warm  
Don't change the time on your watch  
Always reach, but never touch  
Stay a picture on the wall

Don't let your step grow too bold  
Don't let your hands go too cold  
Don't forget, but don't recall  
Keep the distance in your stare  
Hold your step up in the air  
Always near but never there  
And stay a picture on the wall
