

Ashamed

Orgy

You and your misfit friends leaving dirty f*****g messages
You're always right, you're always right, you're always right, you're always
right
F**k

You say you love me
That's what your saying
I think you're crazy
And the nuts are far behind you

I try to tell myself everything will be alright
I try to wake you up from acting out your stupid dreams
But don't look devastated now
There's more to come from this
Can you hear me?
Am I cutting out?

Now it's time to say goodbye
One of us needs to leave this place
Again you're falling right back down, right back down
So many reasons why one of us needs to leave this place
Again you're falling right back down
Right back down

No I can't change what you say
Tired of the games you play
You're dirty words play tricks on me
And you should feel so ashamed of the way
Feel so ashamed of decisions that you made

There's no control over this
So why do you try
Still find myself esteem in all your dreams
To get yourself attention
There's got to be a better way to relay your twisted messages

Hate to be the d**k to let you know
This is how we let things go
No one needs this s**t
Never should have stayed around this long
But I love the pain I feel, like you do
All day long, I want to know why
'Cause it makes no sense to me

No I can't change what you say
Tired of the games you play
You're dirty words play tricks on me
And you should feel so ashamed of the way
Feel so ashamed of decisions that you made
Right

You ask me what is wrong
And I'll tell you why
'Cause I never like the way you treated anyone
Especially your own kind
It's so strange sometimes
I wanna, I wanna know why

Why, why, why
I think there's something that I know

No I can't change what you say
Tired of the games you play
You're dirty words play tricks on me
And you should feel so ashamed of the way
Feel so ashamed of decisions that you made

The stupid things you say
And the f****d up games we play
And you should feel so ashamed of the way
The way, the way
Right
Right
Right
Right
