

Found out you're really something
They talk about you
Then turn your confidence against you now
Into nothing
Grinning from the daze
Petrified and blazed
Feels good to know they care
Special friends
Simply two faced

You couldn't let go
Your talking got you here
Tearing up everyone
Respect, you know

They say i'm jaded
Cause they know it's true
With all those silly people on the wonder wheel
Glisten from the daze
Purified and crazed
Feels good to hear them share
Hateful friends simply two faced

You couldn't let go
Your talking got you here
Tearing up everyone
Respect, you know

Don't waste your fuckin' time
Let live, let go

You sit around the table like Gossip Queens
You shouldn't be talking
Don't waste your fucking time
Cuz when I get back
I'm gonna see what you need, yeah
What you need, yeah
I've gotta get away from you
Cuz it's over (done for) now
