

## Dissention

Orgy

Found out you're really something  
They talk about you  
Then turn your confidence against you now  
Into nothing  
Grinning from the daze  
Petrified and blazed  
Feels good to know they care  
Special friends  
Simply two faced

You couldn't let go  
Your talking got you here  
Tearing up everyone  
Respect, you know

They say i'm jaded  
Cause they know it's true  
With all those silly people on the wonder wheel  
Glisten from the daze  
Purified and crazed  
Feels good to hear them share  
Hateful friends simply two faced

You couldn't let go  
Your talking got you here  
Tearing up everyone  
Respect, you know

Don't waste your fuckin' time  
Let live, let go

You sit around the table like Gossip Queens  
You shouldn't be talking  
Don't waste your fucking time  
Cuz when I get back  
I'm gonna see what you need, yeah  
What you need, yeah  
I've gotta get away from you  
Cuz it's over (done for) now
