They feel they've raised her the new queen of evolution
Her fate won't see to that
Cause we're gonna know her later
Grab that girl
Get her home let's put her on restriction
Last time we let her go she missed two days of school
Let's get her back, get her back

This feels like a real life fantasy
It feels like you
This feels like a real life fantasy
It feels like you

Relaxed in vermin life takes the place of feeling bad
So you tried it
Recalling memories of charm school pantomime
Turned so bad
Socialite she changed her point of view now she's bad
Can't hide it
I think she really liked all the things that she learned

This feels like a real life fantasy
It feels like you
This feels like a true phantasmicy, feels like you
It feels like you

Be a good girl like you're supposed to
Dominate your fear
Be a good girl like you're supposed to
Dominate your fear
Be a good girl like you're supposed to
Dominate your fear
Be a good girl like you're supposed to,
Dominate your fears
