Courage

Orianthi

Take all my vicious words
And turn them into something good
Take all my preconceptions
And let the truth be understood

Take all my prized possessions Leave only what I need Take all my pieces of doubt And let me be what's underneath

Courage is when you're afraid But you keep on moving anyway Courage is when you're in pain But you keep on living anyway

We all have excuses why
Living in fear something in us dies
Like a bird with broken wings
It's not how high he flies but the song he sings

Courage is when you're afraid But you keep on moving anyway Courage is when you're in pain But you keep on living anyway

It's not how many times you've been knocked down It's how many times you get back up Courage is when you've lost your way But you find your strength anyway

Courage is when you're afraid Courage is when it all seems gray Courage is when you make a change And you keep on living anyway

You keep on moving anyway You keep on giving anyway You keep on loving anyway
