

Out Of Reach

Orianthi

You're the sun in my sky
And you're my secret lullaby,
and everything to me.
You're the one that I love,
and you're the one I'm thinkin of,
you're everything too me.

So why can't you be with me?
like somebody else, I'd rather be
I wish you were next to me.

Cause you're out of reach,
somewhere I cant be, someone I cant see
But I've got to find a way.
So I can see your face,
once again, once again

So why are you still wild wishin man
You are nowhere I'd rather be

Like the sun in your sky
I'm not the one by your side,
am I anything to you?
Why am I not your love?
Or the one that you're thinkin of?
Am I anything to you?

So why cant you be with me?
Is there somebody else you'd rather see?
I wish you were next to me

Cause you're out of reach,
somewhere I can't be, someone I can't see
But Ive got to find a way.
So I can see your face again,
once again, once again

Why are you so out of reach to me?
Someone else that I would rather be.

Will I ever see your face again?
Will you ever see me like I wish?
You're all I want in this whole world,
I'm invisible to you,
I'm like a ghost passing through,
Open your eyes
Oh Whoa...

So why can't you be with me?
Is there somebody else you'd rather see?
I wish you were next to me..

Cause you're out of reach,
someone I can't be, someone I can't see

But I've got to find a way
So I can see your face once again,

why are you so out of reach to me?
