

Shut Up And Kiss Me

Orianthi

You're too loud, I'm so hyper
On paper we're a disaster
And I'm driving you crazy
It's my little game

I push you, and you push back
Two opposites so alike that
Everyday's a roller coaster
I'm a bump you'll never get over

This love (love) hate (hate) relationship
You say you (you) can't (can't) handle it
But there's no way to stop this now
So shut up and kiss me
Kick (kick), scream (scream) call it quits
But your just (just) so (so) full of it
cause it's too late, to close your mouth
So shut up and kiss me

So shut up! So shut up!

I call you and you pick up
I tell you how much I'm in love
I'm laughin and you get mad
It's my little game

Go ahead now, admit it
You like your world with me in it
Like a record, it's broken
Yeah, I'm a bump you'll never get over

This love (love) hate (hate) relationship
You say you (you) can't (can't) handle it
But there's no way to stop this now
So shut up and kiss me
Kick (kick), scream (scream) call it quits
But your just (just) so (so) full of it
cause it's too late, to close your mouth
So shut up and kiss me

You miss my lips, my kiss, my laugh
The riffs on my guitar
The way we fight, we make up fast

Oh yeaaaaah

So shut up!

Love hate, love hate, love hate

Cause this love (love) hate (hate) relationship
You say you (you) can't (can't) handle it
But there's no way to stop this now
So shut up and kiss me
Kick (kick), scream (scream) call it quits
But your just (just) so (so) freakin' full of it
cause it's too late, to close your mouth

So shut up and kiss me

So shut up!

Shut up and kiss me!
