

# Think Like A Man

Orianthi

Must be you if the phone don't ring  
Here I am obsessing  
He loves me, yeah, he loves me not  
I tell myself I should just learn to shut up  
No I need to be like you

Ignore my emotions emotions are dumb  
Surfin' the channels 'til my senses are numb  
Shorten my attention span,  
I should think like a man

Stick my foot in my mouth and just run away  
Turn off my cell, I ain't got nothing to say  
Disappear and not give a damn  
I should think like a man  
Think like a man

Oblivious it must be nice  
Nothing spoils your appetite  
Your checking out every blonde in sight  
Your telling me that it's just all in my mind  
yeah I want to be like you

Ignore my emotions emotions are dumb  
Surfin' the channels 'til my senses are numb  
Shorten my attention span,  
I should think like a man

Stick my foot in my mouth and just run away  
Turn off my cell, I ain't got nothing to say  
Disappear and not give a damn  
I should think like a man  
I should think like a man

I could save myself so much trouble  
I could save myself this heartache  
But it's the best advice I know I'll never ever take

yeah I got to, I need to, I want to be like you

Ignore my emotions emotions are dumb  
Surfin' the channels 'til my senses are numb  
Shorten my attention span,  
I should think like a man

Stick my foot in my mouth and just run away  
Turn off my cell, I ain't got nothing to say  
Disappear and not give a damn  
I should think like a man  
I should think like a man  
I should think like a man
