

## Antithesis

## Origin

Opposite, inversion, polarize, ostracize  
Counteract, rise against, oppose all, agonize  
Opening our path to ending, contravene in antipathy  
Kill to, breed peace, death to, all war  
Unordain, opulence, to install, turbulence  
Infamous, oration, to dispose, all of us  
Confronting our worst enemy, sub-atomic anatomy  
Methods, implode, doomsday, explodes

Conflicts of man, come to a head, already dead - Worlds unborn  
Breeding to feed, our destiny, unholy peace - Nauseating  
Nuclear tools, amassed by fools, already used - Unreduced  
Society vaporizing - Uncreating, reprimanding  
Antithesis, preeminence, dead sacrament - Barbaric  
Rapture in peace, calm misery - Aberrant, sacrificing

Time not death, the destroyer - Of all worlds  
See answers, before questions - No life means no war  
Time is death, and time brings life - Worlds reborn  
Death brings time, kill to breed peace - No questions exist

Addicted to  
Our failure looms  
Inexorable  
Drawn to deaths door, Just like before  
Our history  
Perish the thoughts, Dwell in our faults  
Open hell's vaults  
Forsaken, lost, Damn all the costs  
Damn all the lost - costs

I am become death, The destroyer of worlds  
I am become death, The destroyer of worlds

I am become death, The destroyer of worlds  
I am become death, The destroyer of worlds

The antithesis of life and dying  
Screaming through the skies  
The antithesis of life or death  
Leaves us vaporized
