

Conceiving Death

Origin

Create, control, conspire, conceal
Prospect and reign through spreading fear
Grasping for an eternity that's not real
Create an entity superior
Control the masses through blind faith
Dictate God's hand
Man made
A merciful God seething

Conceive, improve
Realize the truth
Decide, break free
Afterlife was a dream
Padding existence with illusions of safety
Propose, redeem
Serve penance endlessly

Contain morality within faith
Carbon confines remain
Free will is denied
In pursuit of the afterlife
Conforming to man's greed
Installed by primal fear
Based on God's insecurities

Conceive, improve
Realize the truth
Decide, break free
Afterlife was a dream
Padding existence with illusions of safety
Propose, redeem
Serve Penance endlessly

Conceive a plan of deceit
Conceive a plan to control
Conceive a plan of followers
Conceive a plan to destroy
Conceive a plan of the guilty
Conceive a plan of no worth
Conceive a plan of self pity
Conceive a plan of remorse
Conceive a plan of deceit
Conceive a plan to control
Conceive a plan of followers
