

# Consuming Misery

Origin

Deep within my sordid thoughts of decadent dementia  
I have deemed the only way to sustain psychosis  
Is to force my life's disdain upon the helpless victims  
Unfortunate to cross paths with my imagination  
Dreaming up dark plans to keep the world in disarray  
Wreaking cruelty so you will spread my hate another day

Trapped to perform for me  
Forcefed constant agony

Consume misery, your pain, feeds me  
Abode, of bleeding, dwell in, constant torture  
Abstain, from killing, more pain, for days  
Scars, barely healing, opened, for my pleasure  
Fever of frenzy, your screams, ignite  
Unholy pleasure, cruel

Numbing anger, decimating, want to kill me  
No escaping, attacked daily  
Beastly slicing, glut of bleeding  
Loathsome torment, sick distinction, salacious life  
Still consuming, your misery

Months of violent torture  
Blood drained and replenished  
Mentally repugnant  
Psychotic repulsion

Reopening old wounds  
Raped and violated  
Screaming out in horror  
Fresh pain flowing through you  
Repeatedly pummeled  
Beatings never ending

Reopening old wounds  
Raped and violated  
Screaming out in horror  
Fresh pain flowing through you  
Repeatedly pummeled  
Beatings never ending

Consume misery, your pain, feeds me  
Abode, of bleeding, dwell in, constant torture  
Abstain, from killing, more pain, for days  
Scars, barely healing, opened, for my pleasure  
Fever of frenzy, your screams, ignite  
Unholy pleasure, cruel  
Released from your hell, never, to heal  
Soon you seek victims, to show, how you suffered
