

Swarm

Origin

CONSUME ALL
deplete the host entirely
LEAVE NOTHING
barren fossil orbiting
SATURATE
diminish possibility
FOR REBIRTH
deprived of fertility
bled dry completely
no longer flourishing
EMPTY HARVEST LINGERING
swarm crops devouring
hollow fields yield nothing
appetite exceeding
OUT PLANET'S CAPACITY
no remaining
seed containing
the components
TO REPLENISH
dissipating
nature failing...
all recourse
IS EXHAUSTED

THEY MUST FEED
history repeats the migration
CONSUMING
causing a break in the food chain
OVERWHELM
famine spreads globally
INCUBATE
gestating in the deceased
TILL THE CYCLE IS COMPLETE

THEY COME
THEY EAT
THEY LEAVE
SWARMING!!!!
