

Souvenirs

Orla Gartland

Yearning,
Yearning for the past,
It's like we're always burning,
Through the hourglass
(Like we always do, like we always do)
Learning,
Learning as we go,
It's like we're always searching,
For the seeds (of song?)

Stuck in the rhythm,
Same every day,
Looking to pictures,
I know I should put away,
Building towers,
To break 'em back down
We're framing the moment,
Ties that keep us bound,

Oh! Days and nights,
Oh! Oh!
And the best of times,
We keep our memories like souvenirs,
Oh! When we were kids,
Oh! Oh!
Did you think that it,
Would all come back to this?
Oh, looking back,
Oh, looking back,
And you know, and they know,
That we just don't wanna be forgotten,

Stalling,
Just to make it last,
It's like we're always falling,
Falling for the past,
(Like we always do, like we always do)

Stuck in the rhythm,
Same every day,
Looking to pictures,
I know I should put away,
Building towers,
To break 'em back down
We're framing the moment,
Ties that keep us bound,

Oh! Days and nights,
Oh! Oh!
And the best of times,
We keep our memories like souvenirs,
Oh! When we were kids,
Oh! Oh!
Did you think that it,
Would all come back to this?

Oh, looking back,

Oh, looking back,
And you know, and they know,
That we just don't wanna be forgotten,
