

Time Travelling

Orla Gartland

10 missed calls from you, and seven angry emails
Telling me exactly why, I'm a horrible female
And I know what I did was wrong
But I'll tell you what's right, and that's moving on

And I want you to know,
That I want you to grow,
With or without me, you will go on
Go on, you were better off without me and you knew it all along

The thought of being apart from you,
Well it makes my heart rate soar
But the thought of growing old, well it scares me so much more
So take your toothbrush, and the courage that you lack
Pick a vague direction, and never look back

And I want you to know,
That I want you to grow,
With or without me, you will go on
Go on, you were better off without me and you knew it all along

It was simpler back then

Time travelling back to the place where everything was just a little more simple
time travelling back to the place where nothing could be wrong

Time travelling ohh
Time travelling ohh
Time travelling
where nothing could be wrong
