Still The One

Orleans

We've been together since way back when Sometimes I never want to see you again But I want you to know, after all these years You're still the one I want whisperin' in my ear

You're still the one I want to talk to in bed Still the one that turns my head We're still having fun, and you're still the one

I looked at your face every day
But I never saw it 'til I went away
When winter came, I just wanted to go wanted to go
Deep in the desert, I longed for the snow

You're still the one that makes me laugh Still the one that's my better half We're still having fun, and you're still the one

You're still the one that makes me strong
Still the one I want to take along
We're still having fun, and you're still the one, yes you are

Changing, our love is going gold Even though we grow old, it grows new

You're still the one that I love to touch Still the one and I can't get enough We're still having fun, and you're still the one

You're still the one who can scratch my itch Still the one and I wouldn't switch We're still having fun, and you're still the one

You are still the one that makes me shout Still the one that I dream about We're still having fun, and you're still the one

Still the one, yeah still the one We're still having fun, and you're still the one
