

Denying our restlessness  
Frustrations tension eludes  
The past was clean  
Where thoughts were mild  
The present day horrors alive  
Slowly passing timeless horrors  
Lives within all fear  
The mourning in my tears  
Drown all the past  
We lived beneath these years  
Awaiting for the call  
For all life to expire  
It's mercy you're asking for cheating life  
By taking more it's mercy you're asking for  
Take my life or give me more...  
The light is dim before us  
Shadows appear and fall  
A barrage of savage ways  
Only the darkness can filter through  
Lives within all fear  
The mourning in my tears  
Drown all the past  
We lived beneath these years  
Awaiting for the call  
For all life to expire  
It's mercy you're asking for cheating life  
By taking more it's mercy you're asking for  
Take my life or give me more...
