

## Ornaments of Gold

### Orphaned Land

Deliver the love out from your body  
Grieving nights to you, I'm hard as stone  
Bodies sweat in the heat of the moon  
After you're gone I'll be all alone

Drinking the fluid of love  
Eternally my beloved ones sweat purple wine

Especially when I need a woman like you  
To help me to pass the night through  
And reaching foreign shores  
Then you're closing the doors

The research for pleasure brought me to this  
Now you're gone I'm as cold as ice

If ye love God then follow me"  
God will forgive to him your plea"

Lord I die, God hear my cry  
You left me all alone  
To myself I now mourn  
The light of the dark is the morning of the dawn
