

## Tryin to Help

Orson

Come on, Baby-  
Why the long face?  
You're messing up my head space!  
I can see you've had a hard day-  
Let's talk about it anyway.

Hey- there's million ways to do the same thing.  
Don't you know if you got problems-  
That I'm here to help you solve 'em?

Love, I'm only tryin to help-  
I'm only tryin to make it through another day.

i don't always say the right thing-  
So let me make it better.  
But if I try to write it down-  
Don't go tearing up my letter.

Hey- there's a million ways to do the same thing.  
I know I don't always get it-  
But you've got to give me credit.

Love, I'm only tryin to help-  
I'm only tryin to make it through another day.

Communication shake-down.  
It's always the same thing.  
You're still my favorite meltdown,  
I'd give you everything.  
I've seen this movie before-  
We give/ We take even more.  
You're still the team I am for-  
But you can't stop keeping score!

Love, I'm only tryin to help-  
I'm only tryin to make it through another day.

Let me get my way.  
(You always get your way.)
