

# Autopsy Song

Otep

Open wide, look inside (2x)  
At my autopsy

I feel like  
A woman  
I feel like  
I care  
I feel like  
I shouldn't  
I feel like a child  
Of despair  
I feel like  
It's over  
I feel like it's coming  
After me  
I feel like  
It's closer  
I feel like this is all I'll ever be  
I feel like  
A failure  
I feel like a hungry  
Parasite  
I feel like  
A razor  
I feel like a prayer  
Lost in flight  
I feel like  
I'm hopeless

I'm afraid I'm a slave, I'm weak and average (2x)

I feel like  
A hammer  
I feel like  
A nail  
I feel like  
I'm guilty  
I feel like the wrist that it impales  
I feel like  
A butcher  
I feel like  
I'm being deceived  
I feel like a beautiful loser  
I feel like all you sheep  
Are laughing at me

Open wide, look inside, at my autopsy  
My autopsy

I feel like a complete waste of time  
I feel I'm  
Transparent  
I feel like I can't  
Escape my mind
