

Buried Alive

Otep

i speak in verses
prophecies & curses (2x)

....i hate my life.

no miracle is coming[hate you]
it's just a hole
nothing's wrong with you
must maintain control

everyone's asking questions
no place is safe
i'll forfeit resurrection
to escape the pain

... i hate my life.

[chorus]

I HATE MY LIFE.

[verse]

i speak in verses
prophecies & curses

this storm of thorns is growing[hate me]
there's no end in sight
chaos claws my jaw
& incites a mental riot

i'm in the mouth of madness
with a tongue of poetry
i ate the spine of Atlas
now the world is crushing me

.... i hate my life.

[chorus]

I HATE MY LIFE.

[outro]

BURIED ALIVE BEHIND ENEMY LINES
SURROGATE CHILD FOR THE SINS OF ALL MANKIND

HATE!!

BURIED ALIVE BEHIND ENEMY LINES
[buried alive, buried alive]

FOR THE SINS OF ALL MANKIND!
