Confrontation

Don't Be.... Silent. FIGHT. (violence, mêlées, & disturbances of the peace) [verse 1] Here's your introduction to destruction & the hate sustaining me Are we safer or in danger? Drowning in atrocities? Riot gear, the slaves are here Piling corpses high Its the rich man's war But its the poor that fight More capitalist crimes, More enemies than allies No WMD's - who gives a fuck If they die Just kill em all - watch em fall Skin the world with their lies Its a rich man's war But its the poor that fight [chorus] Stand up Speak out Strike back Stand up Speak out Strike back They don't know What they started CONFRONTATION. [verse 2] My religion of resistance Challenging everything Radicals & dissidents Of creativity

We are the children Of the siege you hide In this rich man's war Where the poor just die More deception & greed More wars & disease More lies from the hive mind That seek to deceive A weak nation of need Like silent thieves in the night Its a rich man's war But it's the poor that die [chorus] Stand up Speak out Strike back Stand up Speak out Strike back They don't know What they started CONFRONTATION. Stand - FIGHT Speak - FIGHT Strike back! Stand - FIGHT Speak - FIGHT Strike back! They don't know What they started CONFRONTATION. [bridge] This is my Battle cry! Defy the lies Of the tyrant race With a fist in the air & a finger in their face! DEFY THE TYRANTS! DON'T BE SILENT! DEFY THE TYRANTS! DON'T BE SILENT! DEFY THE TYRANTS! DON'T BE SILENT!

DEFY THE TYRANTS! DON'T BE SILENT! [chorus] Stand up Speak out Strike back Stand up Speak out Strike back They don't know What they started CONFRONTATION. Stand - FIGHT Speak - FIGHT Strike back! Stand - FIGHT Speak - FIGHT Strike back! They don't know What they started CONFRONTATION. [outro] There's no Way they Can stop us Now So let them try We fight or we die
